- 12. It will be up to the Bull Riding Director and Judges to approve native cattle and or yearling bulls that are to be used in the junior Steer Riding event. If suitable cattle are not available, the event will be cancelled.**

C. DRAWING STOCK

- 1. All rodeo livestock used in the riding and timed events must be numbered and drawn for. Stock for the complete go-round in the riding events must be drawn up at one time with the exception that stock for one performance may be drawn if the same stock is drawn in both or subsequent performances.**
 - (a) All timed event stock may be drawn for a complete performance at one time but no stock is to be drawn and held over for the next performance.**
 - (b) All timed event cattle must be drawn in complete performance.**
 - (c) Remaining timed event stock must go to the top of the draw for the next section.**
 - (d) Except in the case of more contestants than stock, stock must be drawn so that no stock runs more than once in a section.**

(e) The first three cattle must be run in order of draw, for all performances, including slack, in all timed events.

2. In any final ride, contestants may draw own animals in the presence of judges if management desires.

3. All calves and dogging steers to be as uniform in size as possible.

4. When calves are not fresh, reruns will always be drawn from the whole herd used in the draw, not from those calves that are missed.

5. Any stock in original draw that is turned out (this means not bucked) exhibition or contest automatically goes into the re-ride if necessary.

6. Any animal drawn for a re-ride but not used in that go-round, may be held out of the draw for re-rides in the following go-rounds along with feature animals but then will be returned for the go-round draw after the re-rides have been drawn.

7. Re-rides may be drawn at any time after the re-ride has been granted. Re-rides will be drawn from re-ride stock, including turned out stock if necessary. An animal can be drawn for a re-ride only once in a go-round.

8. The association Board of Directors has the right to declare any stock unsatisfactory and any stock so declared will be taken from the draw.

9. It is the contestant's responsibility to compete on the stock drawn for them. Failure to so will result in disqualification.

10. Any contestant entered at a rodeo who has had no stock drawn for him will draw from the entire herd and the contestant who has had the stock drawn away from him will draw from the re-ride pen.

11. A contestant who has injured stock drawn for him in the timed events will draw one from the herd or use a spare. Order will follow as per the program.

12. Contestant to receive all of his stock on the same day with the possible exception of having to compete in one or more events in a Friday slack performance and also during the Saturday performance.

13. Junior bull riding stock must be drawn for at the same time as the timed event stock

14. No contestant may compete on the same head of stock twice at any rodeo in the same event.

15. In case stock is sick, crippled, or already shipped, replacement will be drawn from re-ride animals.

16. All finals stock will be picked by the top ten (10) contestants in each event and the directors at the stock draw meeting. Stock will be picked and drawn for including the contractor's pen from the lists that the stock contractors have submitted prior to the contractor's pen from the lists that the stock contractors have submitted prior to the meeting. Although contractors will not attend this meeting, they must be available to be reached by phone between 7:00 pm to 9:00 pm. The office will notify each contractor of the date of the stock draw meeting.

*****17. In the rough stock events, if an animal is turned out 5 consecutive times, the Board of director has the option to pull that animal from the draw for the remainder of the year, accompanied by a report from the judges from those rodeos it was turned out of.*****

SECTOION VII: RIDING EVENTS

A. RERIDES & RERUNS

1. Re-rides must be given in all riding events.

(a) Re-rides will be given for stock that fails to break or stock that fouls the rider.

(b) If a re-ride is given, the judges must have re-ride and the mark given announced and the contestant has the right to refuse re-ride before re-ride is drawn, or accept markings.

(c) First re-ride given and accepted must be drawn first.

2. Re-rides may be drawn before the end of the event in which the re-ride is given. If an animal runs off, stops, falls or the flank comes off, the rider has the privilege of taking the same stock back providing the contractor is willing, or the rider may have a re-ride drawn. If the rider takes the same animal back for the re-ride, he must take the marking. Riders can be marked at the discretion of the judge.

3. Re-rides may be drawn at any time after the re-ride has been granted. Re-rides will be drawn from re-ride stock, including turned out stock if necessary. An animal can be drawn for a re-ride only once in a go-round.

(a) The stock contractor has the option to buck either the re-ride or the turn-out stock.

4. If in the opinion of the judge a rider makes two (2) honest efforts to get on a chute-fighting animal and is unable to do so, he may have re-ride drawn for him.

5. Riders who are fouled at the chute, or by the animal itself, must claim the animal by double grabbing or dismounting immediately so as to obviously indicate a foul in order to claim a re-ride. Final decision to be made by the judge.

6. Re-rides or reruns will not be given if the contestants own equipment breaks or fails.

7. If re-ride stock has already been bucked the re-rides will be drawn from the herd.

(a) There must be at least one designated re-ride in each event at each performance including slack.

8. In the saddle bronc event if the stock contractor's halter breaks but not if it comes off a re-ride shall be awarded on the same horse.

9. If the rider is making a qualified ride and the flank falls off before the 8 seconds has elapsed, the rider will be awarded a re-ride.

B. JUDGING

1. Rider and animal to be marked separately. Mark the rider from one (1) to twenty five (25) and use the full spread. The animal is to be marked from one (1) to twenty five (25) and use the full spread. (Revised July 23, 2019)

2. To qualify, the rider must have spurs over the break of the shoulders and touching horse when the horse's front feet hit the ground first jump out of the chute.

(a) First jump qualifications will be waived when horse is pulled out of chute by pick up man or rodeo personnel.

3. If a horse stalls coming out of the chute, either judge may tell rider to take his feet out of the horse's neck and first jump qualification will then be waived.

(a) Rider may be disqualified for not following judge's instruction to take his feet from neck of horse stalled in the chute.

4. Contestants may pull riggings, cinch saddles and pull ropes from either side in all riding events. Middle flank belongs to bronc rider, within reason.

(a) If there is any disagreement between the rider and stock contractor about cinching the horse, the rider must meet the stock contractor's requirements, and if he does so, he should then notify the judges prior to the ride, and if the judge feels he didn't get a fair ride because of the said requirements, he will be awarded a re-ride.

5. All riding events to be timed to 8 seconds. Time to start when animals inside front shoulder breaks the plane of the chute.

6. Gate latch side of judge will be boss watch. Decision is his as to qualification of ride. In case of problem or watch malfunction, decision will revert to other judge.

7. Rider making a qualified ride when horn blows will be marked regardless of time on judge's watch.

8. In case of contestant disqualification, stop watch time must be available to contestant upon request and before the next contestant competes.

9. If an animal that is drawn in a riding event or is drawn in a pen in a timed event becomes sick or crippled before it is out that time, a judge must pass on the animal's inability to be used before it can be shipped or replaced in the draw.

10. If a rigging or a saddle is broken in the bucking chutes by the rough stock horse, and is deemed unsuitable to ride with, the judges may waive the turn out fine.

C. SADDLE BRONC RIDING

1. Contestants Saddle Specifications:

Rigging: $\frac{3}{4}$ double-front edge of Dee ring must pull no further back than directly below the center point of swell. Standard E-Z or ring type saddle Dee must be used and cannot exceed $5\frac{3}{4}$ inch outside width measurement.

Swell Undercut: Not more than two (2) inches. One (1) inch each side.

Gullet: Not less than four (4) inches wide at center of fork or covered saddle.

Tree: Saddles must be built on standard association tree.

Specifications: Fork, 14" side; height, 9" maximum; gullet, $5\frac{3}{4}$ " wide; cantle, 5" maximum height, 14" maximum width.

Stirrup leather must be hung over bars. Saddle should conform to the above measurements with a reasonable thickness of leather covering. No freaks allowed. Cinches must be at least five (5) inches wide.

2. Horse to be furnished by the producer. Riding to be done with plain halter, one rope rein and saddle. Saddle must be association saddle. The contestants are allowed to use their own saddle providing they are association saddles. Stock contractors may call judges to pass on whether or not a saddle is suitable.

3. Stock contractors must furnish their own halters and contestants must use them, subject to approval of judges of fitness of halters.

4. Standard halter must be used unless agreement is made by both contestant and stock contractor.

5. Horses to be saddled in chute. Saddles may not be set too far ahead on horse's withers. Rider may cinch own saddle or examine same to determine if satisfactory. Either stock contractor or contestant shall have the right to call the judges to pass on whether or not horse is properly saddled and flanked to buck at its best.

6. Middle flank belongs to rider, but the contractor may have rider put flank cinch behind curve of horse's belly. Flank cinch may be hobbled.

7. Riding rein and hand must be on same side.

8. Unless requested by the rider, saddle bronc horses cannot be hotshotted after rider sits down in the saddle and while the horse is still in the chute.

9. One arm must be free at all times.

10. Saddle bronc riding shall be timed for eight (8) seconds.

11. The matter of re-rides shall be decided by the judges.

(a) In the saddle bronc riding, if the stock contractor's halter breaks but not if it comes off, a re-ride shall be awarded on the same horse.

12. If in the opinion of the judges, a saddle bronc deliberately throws itself, the rider shall have, with the approval of the stock contractor, the choice of that same horse again or he may have a horse drawn for him from the re-ride horses.

13. Any of the following offenses shall disqualify a rider being bucked off, changing hands on rein, wrapping rein around hand, pulling leather, losing stirrup, touching animal, saddle, rein or rider with free hand, riding with locked rowels that will lock on spurs.

14. Judges may disqualify bronc rider who has been advised he is next to go if he is not above the animal with his glove on (if glove is used) when previous horse leaves the arena, or if he is delaying the rodeo.

15. A contestant will be disqualified for not following contestant rules and for violating contestant Disqualification Rules.

D. BAREBACK BRONC RIDING

1. One hand rigging to be used. Riders may use their own rigging if rigging is not over ten (10) inches in width at hand hold, and not over six (6) inches "d" ring, or not a freak. No rigging may have metal, fiberglass, and or objectionable material underneath rigging. All riggings must have sheepskin or sponge rubber underneath. Stock contractors will have the right to have the judges pass on whether riggings are objectionable. Judges to decide on all riggings.

2. Riggings must lie flat on the horses back while rigging is being cinched so there is an even distribution of pressure at all times. Stock contractors may call judge to pass on whether rigging is being set and/or cinched in a way that might hurt the horse's back.

3. All cinches must be at least five (5) inches wide.

4. A one (1) inch thick, covered foam, felt or hair pad must be used under bareback riggings at all times.

5. Contestants will have the right to call judges to pass on whether or not a horse is properly flanked and cinched.

6. Unless requested by the rider, bareback horse cannot be hotshotted after rider sits down.

- 7. To qualify, rider must have spurs over the break of the shoulders and touching horse when the horse's feet hit the ground first jump out of the chute. Horses will be ridden eight (8) seconds, time to start when horse leaves the chute.**
- 8. There will be no tape or any other adhesive material or substance other than dry rosin used on riggings or rider's gloves, riders may not take any kind of finger tuck or finger wrap.**
- 9. The matter of re-rides shall be decided by the judges.**
- 10. Riders who are knocked off at the chute will be entitled to a re-ride at the discretion of the judges.**
- 11. If in the opinion of the judges, a bareback horse deliberately throws himself, the rider shall have, with approval of the stock contractor, the choice of that horse again or he may have a horse drawn for him from the re-ride horses.**
- 12. Any of the following offences will disqualify a rider: riding with rowels too sharp in opinion of judges, being bucked off, touching animal or rider with free hand.**
- 13. If rigging comes off horse without breaking, rider is disqualified.**
- 14. Judges may disqualify bareback rider who has been advised he is next to go, if he is not above animal with his glove on (if glove is used) when previous horse leaves the arena, or if he is delaying the rodeo.**
- 15. Contestants will be disqualified if rigging is set to far ahead (to an extreme).**
- 16. Contestants will be disqualified for not following contestant's rules and for violating Contestant Disqualification Rules.**
- 17. A bareback rider hanging up or unable to loosen his hand from the rigging when a pick-up man is in position to pick him up may be fined fifty dollars (\$50) on the recommendation of the pick-up man. Fine will be paid to the stock contractor.**

E. BULL RIDING

- 1. Bull's horns must be tipped to the size of a loonie. Head fighting bulls must be tipped to the satisfaction of the contractor, event director, and judges. If in the judge's opinion, a bull's horn does not meet the rulebook requirements of tipping, the judge will notify the stock contractor that the bull must be tipped before his first performance of the rodeo or the contestant has the option to take the re-ride bull or have his entry fees refunded. If bull is not properly tipped and is pulled from the first performance of the rodeo he will not be allowed to be bucked for the entire weekend.**

2. Riding to be done with one hand and loose rope, with or without hand hold; no knots or hitches to prevent rope from falling off bull when rider leaves him. Rope must have bell; no bell; no marking. Bell must be under belly of bull.

3. Rider not to use sharp spurs.

4. No more than two (2) men may be on the chute to pull contestant's rope.

5. Contestant will have the right to call judges to pass whether or not bull is properly flanked to buck to the best of its ability.

6. Unless requested by the rider, no bull can be hotshotted after rider sits down.

7. Bull must be ridden eight (8) seconds, time to start when animal leaves the chute.

8. The matter of re-rides shall be decided by the judges.

9. Riders who are knocked off at the chute or if bull falls, to be entitled to a re-ride at discretion of judges.

10. If in the opinion of the judges, a bull deliberately throws himself, the rider shall have with the approval of the stock contractor, the choice of that same animal back again or he may have a bull drawn for him from the re-ride stock.

11. If rider makes qualified ride with any part of the rope in riding hand, he is to be marked if her has not touched the ground.

12. Rider will be disqualified for any of the following offences, being bucked off, touching animal with free hand, or using sharp spurs.

13. Judges may disqualify a bull rider who has been advised he is next to go, if he is not above the animal with his glove on (if a glove is used) when previous bull leaves the arena, or if he is delaying the rodeo.

14. If a bull is fouled because of rider holding gate, rider will be disqualified.

15. Yaks will be banned from competition at all LRA approved rodeos.

16. A contestant will be disqualified for not following contestant rules and for violating Contestant Disqualification Rules.

17. A fifty (\$50) dollar fine will be levied if judges find any sharp instruments causing bulls to be cut.

18. **The rider shall not be allowed to reset and repull rope more than two (2) times if animal is standing well in the chute. After second attempt rider will be disqualified at the discretion of the judge. (Revised July 23, 2019)**
19. **Flank rope for Bull riding cattle sized to the animal so when it is pulled tight the tail of the flank does not exceed three feet, if a jerk flank is used the rule applies for both tail and leather ends. (Added November 12, 2019)**
- 20.

F. JUNIOR BULL RIDING

1. **17 years of age and under as of January 1st of that year.**
2. **Riding to be done with one hand and loose rope, with or without hand hold; no knots or hitches to prevent rope from falling off bull when rider leaves him. Rope must have bell; no bell; no marking. Bell must be under belly of bull.**
3. **No more than two (2) men may help pull a contestant's rope. Rope may be pulled from either side.**
4. **Contestant will have the right to call judges to pass on whether or not animal is properly flanked.**
5. **No animal used in the Junior Bull Riding can be hotshotted after contestant sits on animal.**
6. **Animal must be ridden eight (8) seconds, time to start when animal leaves the chute. If rider makes a qualified ride with any part of the rope in the riding hand, he is to be marked.**
7. **Rider will be disqualified for any of the following offences: being bucked off; touching the animal with free hand; using sharp spurs; or fouling the animal by holding the gate.**
8. **The rider shall not be allowed to reset and repull rope more than two (2) times if animal is standing well in the chute. After second attempt rider will be disqualified at the discretion of the judge. (Revised July 23, 2019)**
9. **The matter of re-rides shall be decided by the judges.**
10. **Suitable cattle:**
 - (a) **All horns must be tipped back to no less than the size of a loonie.**
 - (b) **All cattle deemed unfit for use because of size and temperament will be taken from the draw and not allowed back in the draw.**

11. Any contractor supplying LRA rodeo committees with cattle will be required to number the cattle. The cattle will then be drawn for by the judges. Draw can be made at the same time as the timed event cattle. Draw will then be posted at the Rodeo Office.

12. If not enough suitable cattle are available the event will be cancelled.

13. If Junior Bull Riding is held at an LRA approved rodeo, the event must fall under guidelines of the LRA unless approved by the Board.

14. A junior bull rider may enter the open bull riding event until he makes \$500 in the open event, at which time he will decide which event he will continue to compete in. If he chooses the junior bull riding event he will no longer be able to enter the open event, and if he chooses the open event he must pay the balance of the membership for his senior card and all points will be forfeited in the junior event.

15. All stock used in the Junior Bull Riding event must be flanked. (Revised July 23, 2019)

17. It is mandatory for the riders to wear protective vest and helmet while competing in the junior bull riding event.

18. Flank rope for Junior Bulls cattle sized to the animal so when it is pulled tight the tail of the flank does not exceed three feet, if a jerk flank is used the rule applies for both tail and leather ends. (Added November 12, 2019)

G. JUNIOR STEER RIDING

1. Contestants must purchase a junior membership in order to qualify for the year end championship and must be fourteen (14) years of age as of January 1st. Committees are allowed to accept local entries.

2. Riding to be done with one (1) or two (2) hand and loose rope, with or without hand hold; no knots or hitches to prevent rope from falling off steer when rider leaves it. Rope must have a bell; no bell will result in no marking. Bell must be under belly of steer.

(a) If a contestant starts with one (1) hand they must finish the ride with one (1) hand. If they start with two (2) hands they may change to one (1) hand, but then rides under one (1) hand rule.

3. It is mandatory for the riders to wear protective vests and helmet while competing in the junior steer riding event.

4. The rider shall not be allowed to reset and repull rope more than two (2) times if animal is standing well in the chute. After second attempt rider will be disqualified at the discretion of the judge. (Revised July 23, 2019)

5. Contestants will have the right to call judges to pass on whether or not the steer is properly flanked to buck to the best of its ability.
6. Steer will be ridden eight (8) seconds; the time to start when animal's inside front shoulder passes the plane of the chute. If rider makes qualified ride with any part of rope in riding hand, he is to be marked.
7. Rider will be disqualified for any of the following offences: being bucked off; touching animal with free hand; using sharp spur; or fouling animal by holding gate.
 - (a) Touching the animal with head is disqualification
8. If a qualified ride is made until the flank comes off, a re-ride shall be optional, but if need not be on the same animal.
9. Suitable cattle will be native cattle. If suitable cattle are not available, the event will be cancelled.
10. If a boy's steer riding is held at an association approved rodeo, the event must fall under the guidelines of the Association. (Revised July 23, 2019)
11. It will be up to the Bull Riding Director and judges to approve the native cattle that will be used in the Junior Steer Riding event.
 12. A Junior Steer Rider may enter the Junior Bull Riding event until he makes \$500 in the Junior Bull Riding event, at which time he will decide which event he will continue to compete in. If he chooses the Junior Steer Riding, he will no longer be able to compete in the Junior Bull Riding.
 13. Flank rope for steer riding cattle sized to the animal so when it is pulled tight the tail of the flank does not exceed three feet, if a jerk flank is used the rule applies for both tail and leather ends. (Added November 12, 2019)

H. NOVICE HORSE RIDING

1. Both Saddle Bronc and Bareback combined as one event.
2. Novice Horse Riders can compete on a permit at a cost of \$50.00 plus GST.
3. To qualify for the Novice Horse Riding, a contestant must not have won over \$1000 in their lifetime in either the Open Bareback or the Open Saddle Bronc combined in any approved Association,
 - (a) Once novice wins over \$1000 in the open event and chooses to compete in the open event only, they must buy a full membership and will relinquish all Novice Points and awards. (Revised July 23, 2019)
4. Each contestant will only be allowed to enter the Novice Horse Riding event once.

5. All stock will be drawn for in the same manner as in the Open events. Horses will be drawn from a Novice pen of horses.

6. Entry fees and prize money will fall under the same guidelines as in the junior events.

7. Spur out rule in the novice horse riding will apply.

SECTION XI: TIMED EVENTS

A. GENERAL

1. Team Roping, calf roping, and steer wrestling will be timed to one tenth of a second when manual times are used (the last digit to be dropped when timed with watches which read to hundredths, e.g. 14.66 will 14.6).

2. In any timed event, if an animal escapes from the arena, the contestant will be awarded a re-run with a lap and tap start at 10 seconds.

3. If an animal that is drawn in a riding event or is drawn in a pen in a timed event becomes sick or crippled before it is out that time, a judge must pass on the animal's inability to be used before it can be shipped or replaced in the draw.

4. If the timed event chute gate opens properly and the calf or steer fails to come out, the gate cannot be closed for a rerun.

5. If an animal which is drawn is hurt or sick the spare will be used in its place.

B. BARRIERS & SCORELINE

1. A ten (10) second penalty will be added for breaking or beating the barrier. In all timed events, a barrier will not be considered broken unless the ring drops with ten (10) feet of the post. Barrier equipment must be inspected by the judge before each timed event. If equipment is faulty, it must be replaced. Barrier judge is responsible for changing barrier string and see that neck rope is on properly at the request of the contestant. Should a barrier break at any point, decision is up to the barrier judge. If contestant obviously beats barrier, but the staples are pulled or barrier rope is broken and string unbroken, a barrier judge may assess a ten (10) second fine. Otherwise this will not be considered a broken barrier.

(a) Copies of the timer's cards are to be posted at the calf and dogging chutes to be available for the judges to mark all barrier penalties.

2. **Barrier judge shall be sure that nobody can stand close enough to barrier equipment to tamper with barrier.**
3. **In the timed events, the pusher must be clear of stock before the barrier is tripped.**
4. **Once score line has been set in times events, it will not be changed at that rodeo, nor can length of box be changed**
5. **In order for time to be considered official, barrier flag must operate.**
6. **If automatic barrier fails to work or malfunctions in any way, stock will be brought back regardless, provided the contestant has made a qualified run.**
 - (a) **If barrier equipment hangs on animal or fouls horse, roper or dogger must declare himself in order to get the animal back.**
7. **If automatic barrier fails to work and stock is brought back, contestant must take same animal over during or immediately after the same performance.**
8. **To measure score line correctly, put barrier up with pin in the barrier ring. Holding the pin in place, measure from the front of the chute to a point where the neck rope touches the ground. Set the score line 18” beyond that point.**
9. **Neck rope must be tied with string. No metal snaps or hardware shall be used on neck ropes in the timed events.**

C. TIE DOWN ROPING

1. **Automatic barrier must be used at all rodeos for tie down roping and there must be a score line at that point where barrier trips.**
2. **At indoor rodeos, length of score may be no longer than the length of the roping box minus five (5) feet, unless other arrangements are approved by the roping director or man of his choice.**
3. **All fresh calves must be tied down and numbered in the arena on the day of the rodeo, at least one (1) hour before rodeo time. The draw is to be made no more than one (1) hour before rodeo time. If after one go-round has been completed, a fresh calf has to be used, the calf must be roped and tied before the drawing, but if extra calves have been tied at that rodeo, they will be considered fresh. Fresh calves being roped and tied down must be handled by hand without the use of a horse and must not be snubbed to a corral or chute post and may be tied three (3) times, if necessary.**
 - (a) **All tie down roping calves are to be tied at least one hour prior to the first performance of a rodeo unless other wise directed by the Tie Down Roping Director or Representative. No calves may be tied after the draw has been made.**

4. Ropers to receive a no time if he has not caught and tied his calf in thirty (30) seconds. (Revised July 23,2019)

5. Contestant must adjust rope and rein in a manner that will prevent horse from dragging calf. Contestant must receive no assistance of any kind from outside. This is a catch as you can event and the roper may rope any part of the calf, but rope must be on calf until roper gets his hand on the calf.

6. Rope may be dallied or tied hard and fast, either is permissible, contestant must dismount, go down rope, and throw calf by hand and cross and tie any three (3) legs in a 3-bone cross tie, calf must remain tied in a 3-bone cross tie for six (6) seconds. If calf is down when roper reaches it, the calf must be cleared (daylight between calf's body and ground) or let up on his feet and thrown by hand. If ropers hand is on the calf when the calf falls, calf is considered thrown by hand. Rope must hold calf until roper gets hand on calf. Tie must hold until passed on by the judge, and roper must not touch calf after giving finish signal after judge has completed his examination. In the event the calf kicks free the roper shall dismount and flank or leg the calf to the ground again and hold it there until assisted by people untying calves.

7. A bust means that a calf is jerked straight over backwards, landing on its head or back, with all four feet in the air. If roper deliberately or unintentionally busts a calf, at the discretion of the judge he will be liable for a one hundred (\$100) fine. The bust must be announced immediately.

8. The field flag judge will pass on the tie of calves through use of a stop watch, timing six (6) seconds from the time horse is ridden ahead and there is slack in the rope. Rope will not be removed from calf and rope must remain slack until field judge passed on tie. (Revised July 23, 2019)

9. Flagger must watch calf during the six (6) second period and will stop the watch when a calf kicks free using the time shown on the watch to determine whether calf was tied long enough to qualify.

(a) Judge will be responsible for asking contestant if he wants to look at the time clocked on the stop watch.

10. Roper who does not leave rope slack until tie is passed on, or jerks rope or drags calf intentionally after remounting, will be disqualified.

11. Under any circumstances, roper will be disqualified for removing rope from calf after signaling for time, until the tie has been passed on by the field judge.

12. There will be no re-run awarded for a broken rope or other equipment.

13. If a contestant causes his horse to intentionally drag, or causes excessive abuse to a calf after it has been thrown, the roper will be flagged out and possibly fined. Intentional roughness towards a calf, examples are as follows: Intentionally dragging a calf, running

a calf into the back fence, or any roughness towards a calf that could be avoided. Any excessive dragging of a calf can result in a fine.

14. A stock contractor cannot haul the same calves to more than three (3) rodeos without the approval of the roping director.

15. Contestants may not have calf lined beyond the score line. The judge and/or event representative will position liner in roping event.

16. A legal tie in the tie down roping will be one complete wrap and a half hitch. (Revised July 23, 2019)

19. If a calf is jerked down head first or back (Bust) contestant will be fined one hundred dollars (\$100.00). At judges discretion. (Revised July 23, 2019)

D. STEER WRESTLING

1. In steer wrestling the score may be no longer than the length of the steer wrestling box minus six (6) feet, unless other arrangements are approved by the steer wrestling director or a man of his choice.

2. Animals used for this contest should be closely inspected any objectionable ones eliminated. **Contestant will not be required to compete on a crippled steer or a steer with a broken horn. If a contestant jumps a steer, he accepts him as sound.

3. Contestant will be disqualified if he attempts in any way to tamper with steers or chutes.

4. Contestants must furnish own hazer and horses. Only one (1) hazer allowed. Hazer will not render any assistance to contestant while contestant is working on steer. Failure to observe this rule will disqualify contestant.

5. Steer must be caught from horse. If a steer gets loose, dogger may take no more than on (1) step to catch steer. After catching steer, wrestler must bring to a stop and twist it down. If steer accidentally knocked down or thrown down before being brought to a stop, or is thrown by wrestler putting animals horns to the ground, it must be let up on all four feet and then thrown. Steer will be considered down only when it is lying flat on its left side or back with all four and head straight. Wrestler must have hand on steer when flagged. The fairness of the catchhand will be left to the judges and their decision will be final.

(a) If a steer is turned back, he is considered to have stopped.

6. When a barrier is used for steer wrestling, an automatic barrier is used and there must be a score line at the point where the barrier trips.

- 7. There must be a least fourteen (14) foot box. If the box is shorter than fourteen (14) feet, then the steer wrestling must be a lap and tap.**
- 8. A ten (10) second penalty will be assessed in any case in which a flag rules that the dogger's feet touched the ground before the flag line is crossed.**
- 9. Contestants will be allowed only one (1) jump and it must be made within thirty (30) seconds.**
- 10. No penalty for breaking horn.**
- 11. Cattle for steer roping, cutting or other events shall not be used for steer wrestling.
(a) Cattle used in the team roping may be used in the steer wrestling with the approval of the steer wrestling director and two other steer wrestlers.**
- 12. All steers may be thrown in the pen one (1) hour before the start of the rodeo, in the presence of a judge and before steers are drawn, at the request of the director or a judge.**
- 13. Steer wrestling cattle cannot be held over from one year to the next, except as approved by the steer wrestling director and two other steer wrestlers.**
- 14. At the first two rodeos where fresh cattle are used at, if you miss your steer you must arrange for that steer to be thrown immediately after that performance or you will be liable for a hundred (\$100.00) dollar fine. (Revised July 23, 2019)**
- 15 Any rodeos with 5 or less in a performance in the Steer Wrestling, the contestant will have the option of entering twice. (Added April 5th)**

E. TEAM ROPING

- 1. The Lakeland Rodeo Association will not approve any rodeos that have dual entries.**
- 2. Each team will be allowed a total of two (2) throws. Roping steers without releasing loop from hand will be considered no catch. Ropers must dally to stop steer.**
- 3. Tie on Rule: Any heeler 55 years old or older as of January 1 of current year may tie on. The length of rope would be 25 feet. Approval of any disability that would require tie on rule to be used would be at the discretion of the Team Roping Director.**
- 4. In the Team roping event if a partner is a medical or a turn out you can pick up a contestant entered at that rodeo for a partner if he is eligible and the turn out member will be fined appropriately but partner will pay entry fees. Points will count for original entry only. (Revised July 23, 2019)**
- 5. In case the filed flagman erroneously flags out a team that still has one or more legal loops coming, the judge will award the team a fresh run on the same steer.**

- 6. Time will be taken when steer is roped by both head and heels, with both horses in line facing steer with ropes dallied and tight. Steer may be standing or lying down. Steer must be on its feet when it is being roped by the head or heels.**
- 7. The roper will not get extra loop for a broken rope or a dropped rope. He will receive a no time (NT)**
- 8. Any changes in lists of roping order to split horses, etc., must be made before any stock for that event is loaded in the chutes. After stock is loaded, ropers must rope in order list.**
- 9. If the heeler ropes a front foot or feet in the heel loop, this is a foul catch. However, should the front foot or feet come out of the heel loop by the time the field flagman drops his flag, time will be counted.**
- 10. When using the automatic barrier, neck ropes must be tied with string.**
- 11. A five (5) second penalty will be assessed if only one (1) hind foot is roped. Any question as to catches in this contest will be decided by the judge.**
- 12. Header must change direction of steer's body before heel(s) are roped. Any heel catch behind shoulders is legal if rope goes up heel. Only three (3) head catches are legal: 1) head or both horns, 2) half a head; 3) around the neck. If Hondo passes over one horn and the loop over the other, catch is illegal.**
- 13. Catch is illegal if time is taken when horse or horses are tangled in any way with rope.**
- 14. Catch will be illegal if the head loop crosses over itself.**
- 15. Open catch pen ruling to be used.**
- 16. Both loops must be thrown within thirty (30) seconds, or team will receive no time.**
- 17. Contestant will be flagged out if he does not nod for his stock within twenty (20) seconds after the judge has informed him that his stock is ready.**
- 18. Team roping steers must be drawn for at all rodeos.**
- 19. Team roping cattle must be all horned cattle and must have horn wraps.**
- 20. Cattle used in the steer wrestling event may be used in the team roping with the approval of the team roping director and two other team ropers.**

F. LADIES BARREL RACING

1. The Ladies Barrel Racing must meet LRA approval and be run during the regular performance or slack it cannot be held.

2. Ladies Barrel Racing event must be run on a horse ridden by a female contestant.

(a) Junior Barrel Racing may be entered by boys or girls.

3. Barrels and score line must be permanently staked for the entire contest.

(a) Once barrel markers have been placed, no practicing is allowed on the course so marked. For the purpose of practicing, barrels must be placed at least ten (10) feet (3 Meters) away from the markers.

4. Regulation barrel distances are ninety feet (90) between barrel one (1) and two (2) one hundred and five feet (105') between barrel one (1) and three (3) and between barrel two (2) and three (3) and sixty feet (60') from barrels one and two (2) to the score line. In smaller arenas, barrel three (3) should be no closer than twenty five (25') to the end of the arenas and should be set no more than fifteen (15') longer than barrel one (1) and two (2). Barrels should be eighteen feet (18') from the sides of the arena, but in small arena, they may be less. In no instance should they be less than fifteen feet (15').

(a) In smaller arenas, as a guideline, add fifteen feet (15') to the distance from barrel one (1) to two (2) to get the measurement for the arc to barrel three (3).

(b) When arena conditions are not suitable for the above pattern following distances should be used, ninety feet (90') between barrel one (1) and two (2) and one hundred and ten feet (110') from barrels one (1) to three (3) and from barrels two (2) to three (3) with a sixty foot (60') maximum and a thirty foot (30") minimum score line.

(c) This pattern must be a minimum of twenty-five feet (25') off barrel three (3) to the fence and a minimum of fifteen feet (15') to the fence from barrels one (1) and two (2).

(d) The stopping distance is a minimum of forty-five feet (45') with a closed gate or thirty feet (30") with a safe, open centre alley.

5. Barrels to be forty-five (45) gallon size.

(a) It shall be the responsibility of the rodeo committee to provide suitable steel 45 gallon drums.

6. A five (5) second penalty will be given per run for each barrel knocked over.

7. Disqualification will result from the use of an electronic device as a riding aid during a performance.

8. The electronic timer must be used whenever available. It must be backed up by two (2) timers using watches to the 10th of a second or better. Both sets of times are to be recorded. When the electric timer is used and a minority of the contestants in that section are missed, the stop watch times are to be used as the official times for the contestants missed. Should the timer fail to work for more than half of the contestants in a go-round, the stop watch times will be considered official for all contestants in that complete go-round.

9. Horses are to be timed on the nose, start and finish.
10. After official racing time begins, re-runs are not allowed.
11. Either barrel No.1 or barrel No. 2 may be taken first, but contestants will be disqualified for not following the cloverleaf pattern or for not being ready to contest when name is called.
12. A contestant can change horses during a barrel racing competition.
 - (a) A barrel horse may be used by the same girl in both senior and junior barrel racing events.
 - (b) A horse can be ridden more than once in a go-round and/or performance by different girls, but a girl may only ride one horse in a go-round.
13. Contestants may, from a riding position, hold barrel from falling.
14. Wherever arena conditions permit, contestants may come into the arena and start the race on the run or they start from a standing position.
15. The arena gates may be closed during and for the finish of the race at the request of the individual contestant or show manager.
16. If there are less than five (5) entries, the rodeo management has the right to ask for the cancellation of the event.
17. One contestant cannot change places with another in an event unless the request is made before the programs are drawn up and the rodeo management and both contestants agree to change.
18. The use of bats and spurs is allowed; however, excessive use of bat prior to the race, during the race, or after the race, will mean automatic disqualification for that particular race. Whipping ahead of the shoulders will also result in disqualification. Contestant will be fined one hundred (\$100) dollars at judges a discretion. (July 23, 2019)
19. The rider may use both hands on the reins or may hang on to saddle if she desires.
20. All Timers and flagman must be experienced. The flagman must be a rodeo judge.
 - (a) One judge to flag the barrel racing and one judge to record the times from the timer box.
21. A barrel racer will be considered properly attired if she wears western jeans, long sleeved shirt (cuff and collar), western hat or helmet and boots, in the arena during the paid and slack performances.
22. Barrel racing positions must be drawn for.

23. Show representatives will be delegated for each rodeo. Their duty will be to mark barrels, ensure the timer is at the rodeo and appoint someone to set and run the timer. All contestants are required to carry their own equipment to enable them to properly set up the barrels. Two written copies of the measurements must be left with the rodeo secretary. Barrel must be marked at least one and half hours (1 1/2) before the grand entry. Contestants are responsible for checking markers and measurements before each performance and to turn into the office, signed notice of this check.

(a) the last two ladies and last junior are responsible for checking the markers with judge one hour before each performance and slack. Signed notice of this check must be turned into the rodeo office.

(b) if the committee is not supplying a raking system the first three ladies are responsible for supplying rakes and rakers for each performance or slack.

(c) the first two ladies of the last performance are responsible for returning timers and barrel covers to the rodeo office.

(d) barrel racing duties are the responsibility LRA or co sanctioned members and will not be performed by local contestants.

(e) if barrel racer(s) fails to do their duties they will receive a fine of one hundred (\$100.00) dollars (Revised July 23, 2019)

24. If a contestant is injured during competition, a substitute cannot take her place.

25. If a barrel horse is injured at a rodeo and the contestant wishes to draw out of another rodeo she has entered, she must notify the rodeo secretary that she is obtaining a veterinarians release and that she will send it to the LRA Secretary. The rodeo secretary will then draw her out.

(a) Contestants who obtain a vet release for their barrel horse and draw out of a rodeo, cannot compete at another rodeo for ten (10) clear days and her vet's release must be received at the LRA office within ten (10) days or she will be liable for the entry fees for the rodeo or rodeos for which she obtained the vet's release.

26. No one will run barrel patterns in the arena within one (1) hour of rodeo time.

27. In the slack, the arena is to be harrowed after the same number of ladies as are in the performance.

28. The arena will be worked or raked after a maximum of eight runs on the ground.

29 Ground must be maintained in all events in an effort to prevent needless injury to stock and contestants. It will be up to the rodeo judges and contractor to determine ground maintenance if required. (Revised July 23, 2019)
